I understand that this is a very generous offer and that I spend at least \$30 on dry cleaning and laundered shirts every month.

I understand that I need to call CPC at 760-744-2983 and ask when my delivery days are. (If you need your clothes next day, you just have to leave a note in your bag. I don't want you to go anywhere else!)

I also understand that we will pick out a delivery spot together.

(Most of my customers use their front door. I will provide you with a hook that fits over the top of your door. Or we can put your dry cleaning at your service door, inside your garage or anywhere else you'd like it. We'll figure it out.) *I have a spot in mind Sara, and here it is:* _____
